

RESOLUTION #10

Introduced by: Essex County Medical Society

Subject: **Finding Shelters for the Disabled**

Referred to: Reference Committee

1 Whereas, most shelters are not approved for disabled patients, either due to lack of access
2 for durable medical equipment, or lack of supervision of the disability; and
3
4 Whereas, authorities have very little time to act in getting people safely to shelters; and
5
6 Whereas, government guidelines in housing the disabled require time to implement, even for
7 the experienced shelters; now therefore be it
8
9 RESOLVED, that MSNJ invite experts in setting up shelters for the disabled during
10 disasters to the Policy and Strategy Panel.
